Dear Bosonians

We stand at a significant milestone in the journey of Don Bosco Institute of Technology, Okhla, as we prepare to graduate our first batch of students from the BBA, BCA, and B. Com (Honors) programs. This achievement is a testament to the dedication, perseverance, and hard work of both our graduates and faculty members.

Graduation marks not just the culmination of an academic journey but also the beginning of a new chapter filled with opportunities and challenges. One of the key transitions during this phase is navigating the professional world, particularly preparing for placements and interviews. Excelling in an interview requires a strategic blend of preparation, professionalism, and confidence. Below are essential guidelines to help you stand out in interviews and secure promising career opportunities:

01. Research the Organization

- Familiarize yourself with the company's mission, values, and culture. Review its official website, recent news articles, and social media profiles.
- Gain insights into the company's products, services, and market position. Demonstrating your knowledge about the organization shows genuine interest and commitment.

02. Understand the Role

- Thoroughly analyze the job description to comprehend the skills, qualifications, and responsibilities required. Align your experiences with the expectations of the role.
- Prepare real-life examples of your work that highlight relevant skills and achievements mentioned in the job posting.

03. Prepare for Common Interview Questions

- Anticipate frequently asked questions, such as:
 - "Tell me about yourself."
 - "Why do you want to work with us?"
 - "What is your greatest strength/weakness?"
 - "Where do you see yourself in five years?"

- Use the **STAR method** (Situation, Task, Action, Result) to craft structured responses that effectively demonstrate your competencies.

04. Formulate Thoughtful Questions

- Interviews are a two-way conversation. Prepare insightful questions to ask the interviewer, such as:
 - “What growth opportunities does the company offer?”
 - “What challenges is the team currently addressing?”
 - “Can you describe the company culture?”

05. Exhibit Professional Etiquette

- Dress appropriately based on the company’s culture—whether business formal or business casual.
- Arrive 10–15 minutes early to demonstrate punctuality and respect.
- Maintain positive body language, make eye contact, offer a firm handshake, and smile to convey confidence.

06. Master Your Resume

- Be thoroughly familiar with every detail on your resume. Prepare to elaborate on your skills, achievements, and experiences. Ensure that the narrative you present aligns with your documented qualifications.

07. Anticipate Behavioral Questions

- Many interviewers assess candidates through behavioral questions. Practice using the **STAR method** to clearly and effectively discuss:
 - The **Situation** you faced.
 - The **Task** you needed to accomplish.
 - The **Action** you took.
 - The **Result** of your actions.

08. Discuss Challenges with Confidence

- Be prepared to share examples of how you have successfully overcome challenges in previous roles. Highlight your resilience, problem-solving skills, and adaptability.

09. Adapt to the Interview Format

- Whether the interview is in person, via phone, or through video conferencing, tailor your approach accordingly:
 - For **phone interviews**, focus on clear and concise communication.
 - For **video interviews**, ensure your technology is functional, your backdrop is professional, and your attire is appropriate.

10. Cultivate the Right Mindset

- Maintain a positive and confident outlook throughout the process. Remember, the interview is not only about the company evaluating you but also about determining whether the company aligns with your goals and values.
- Practice relaxation techniques, such as deep breathing, to manage nerves and remain composed.

By diligently preparing and approaching interviews with confidence, you will not only enhance your chances of success but also make a lasting impression on prospective employers.

Wishing you all the very best as you embark on this exciting new chapter of your professional journey!

Rev. Dr. Sajan M. George sdb
Chairman, DBIT

*Success is the sum of
small efforts repeated
day in and day out.*

-Robert Collier.

**DIRECTOR'S
MESSAGE**

Dear Students,

A warm greeting to all our newly admitted members! I am delighted to have you as part of our college family. You've taken a significant step toward shaping your future, and we are here to support and guide you throughout your academic journey. Our faculty, resources, and the college community are dedicated to fostering an environment of growth, learning, and innovation. I encourage you to make the most of every opportunity that comes your way.

To our second-year and final-year students, I wish you all the best for your upcoming placements. This is an exciting phase where your hard work and perseverance will come to fruition. I urge each one of you to actively participate in every placement opportunity that the college facilitates. Stay confident, stay prepared, and remember that the future is yours to create.

I am also thrilled to announce the launch of two new courses on campus—Master of Computer Applications (MCA) and Master of Business Administration (MBA), both affiliated with Gur Gobind Singh Indraprastha University (GGSIPU), Delhi. These programs are designed to equip you with the advanced knowledge and skills needed to succeed in today's competitive professional world. We are excited about the value these new courses will add to our academic offerings and look forward to welcoming aspiring students into these programs.

Congratulations to all the students for achieving outstanding marks and making us proud!

Let this year be a time of growth, learning, and success for all of you. Together, let's continue to uphold the values of excellence, integrity, and innovation.

Best wishes for a wonderful year ahead!

Warm regards,

Prof. (Dr.) Vikas Rao Vadi
Director, DBIT

*The mind is not a vessel
to be filled, but a fire to be
ignited.*

- Plutarch;

Dear Students,

I am thrilled to extend my warmest congratulations to each and every one of you on your outstanding performance in the recent exams! Your hard work, dedication, and perseverance have truly paid off, and we couldn't be prouder of your achievements.

Additionally, I would like to commend our talented students who participated in the university cultural fest and brought home impressive laurels. Your passion, creativity, and teamwork were on full display, and it was an absolute delight to witness.

These accomplishments are a testament to your capabilities, and we are honored to have you as part of our academic community. As you continue to strive for excellence, remember that your efforts, big or small, are valued and recognized.

Keep shining, and let's continue to soar to greater heights together!

Dr. Shalu Tandon
Vice Principal, DBIT

**EDITOR'S
MESSAGE**

Dear Readers,

We are thrilled to introduce the bi-annual college newsletter, Bosco Darpan. This publication is more than just a newsletter—it is a vibrant reflection of the essence and spirit of our college. Through its pages, Bosco Darpan offers a deeper insight into the ethos, culture, and dynamic life of our institution.

Creating this newsletter has been a truly rewarding journey for the editorial team. It has served as a wonderful platform for our talented students to articulate their innermost thoughts and showcase their creativity. Witnessing the passion and enthusiasm of these budding writers as they gave voice to their ideas and emotions through compelling articles has been a delightful experience.

I extend my heartfelt gratitude to the college management for their unwavering support and trust in our efforts, enabling us to bring this endeavor to fruition.

As you flip through the pages of Bosco Darpan, immerse yourself in a journey of vivid images and narratives that capture the enriching events, activities, and celebrations held in our college. Each moment documented within speaks volumes about the vibrant and inspiring environment that defines us. We hope you enjoy this chronicle of our collective achievements and memories.

Associate Professor, DBIT

Transforming Workforce Management: A Deep Dive into HR Analytics

In today's data-driven business landscape, Human Resources departments are undergoing a remarkable transformation. Gone are the days when HR decisions were based purely on intuition and experience. Welcome to the era of HR Analytics, where data-driven insights are reshaping how organizations understand, manage, and develop their most valuable asset: their people.

Uniqueness of HR Analytics

Unlike traditional HR metrics that simply track basic workforce statistics, HR analytics delves deeper by uncovering patterns, predicting trends, and establishing connections between various workforce factors and business outcomes. For instance, instead of just knowing your turnover rate is 15%, analytics helps you understand why high-performing employees leave and what interventions might prevent their departure.

Key Areas where HR Analytics Creates Impact

01. Talent Acquisition and Retention

Modern HR analytics tools can predict which candidates are most likely to succeed in specific roles by analyzing historical hiring data, performance metrics, and cultural fit indicators. **Organizations can:**

- Identify the most effective sourcing channels
- Optimize job descriptions based on successful hire patterns
- Predict candidate success probability before making hiring decisions
- Calculate the true cost of turnover for different positions

02. Performance Management

By analyzing performance data alongside other variables, organizations gain deeper insights into:

- Factors that contribute to high performance
- Early warning signs of employee disengagement
- Impact of training programs on productivity
- Correlation between performance ratings and business outcomes

03. Employee Engagement and Wellness

Analytics helps organizations move beyond annual surveys to understand:

- Real-time engagement levels through multiple data points
- Impact of workplace policies on employee satisfaction
- Effectiveness of wellness programs
- Correlation between engagement and productivity

Implementing HR Analytics: A Strategic Approach

Start with Clear Objectives

Before diving into data collection, organizations should:

- Define specific business problems they want to solve
- Identify key performance indicators that matter most
- Ensure alignment between analytics goals and

business strategy

Build the Right Foundation

Success in HR analytics requires:

- Clean, consistent, and reliable data sources
- Appropriate tools and technologies
- Skilled professionals who can interpret data
- Strong data governance policies

Focus on Action

The true value of HR analytics lies not in the insights themselves, but in the actions they inspire. Organizations should:

- Create clear processes for turning insights into action
- Develop feedback loops to measure the impact of changes
- Continuously refine and adjust based on results

Real-World Impact: A Case Study

Consider a mid-sized technology company that used HR analytics to address its rising turnover problem. By analyzing patterns in exit interviews, performance reviews, and engagement surveys, they discovered that employees who didn't receive regular feedback from their managers were 3x more likely to leave within their first year.

This insight led to the implementation of a structured feedback program, resulting in:

- 25% reduction in first-year turnover
- 15% improvement in employee engagement scores
- Estimated savings of \$2M in replacement costs

The Future of HR Analytics

As technology continues to evolve, we can expect to see:

- Increased use of artificial intelligence in predicting workforce trends
- Better integration of various data sources for more comprehensive insights
- More sophisticated tools for measuring soft skills and cultural fit
- Greater emphasis on ethical considerations in data collection and analysis

Conclusion

HR analytics represents more than just a trend—it's a fundamental shift in how organizations approach workforce management. By embracing data-driven decision-making, HR departments can move from being cost centers to strategic partners in driving business success.

The key lies in starting small, focusing on quality data, and maintaining a clear connection between analytics insights and business outcomes. As organizations continue to navigate the complexities of the modern workplace, those who master HR analytics will have a significant competitive advantage in attracting, developing, and retaining top talent.

HOD, Department of Management Studies

Empowering Youth for Viksit Bharat: Highlights from YETSA 2024

The First International Conference on “Youth Empowerment through Skill Acquisition (YETSA): Opportunities and Challenges for *Viksit Bharat*” was successfully held at Don Bosco Institute of Technology (DBIT), Okhla, New Delhi, on July 27, 2024. Organized in collaboration with the Indian Council of Social Sciences Research (ICSSR), the conference brought together academicians, industry leaders, researchers, and students to discuss youth empowerment through skill acquisition, aligning with India’s vision of becoming a developed nation by 2047.

Inaugural Session Highlights

- ❖ The conference opened with an inspiring inaugural session featuring speeches from distinguished speakers:
- ❖ Rev. Dr. Sajan M. George (Chairman, DBIT) emphasized that “we cannot build the future for the youth, but we can build the youth for the future,” highlighting the importance of channeling youth potential to create a prosperous society.
- ❖ Dr. Vikas Rao Vadi (Director, DBIT) stressed the need for industry-academia collaboration to bridge the gap between employment and empowerment, describing the conference as a platform to transform vision into action.
- ❖ Dr. Pankaj Gupta (Professor, JMI) called for self-reliance and skills aligned with industry needs, urging better assessment methods to address the mismatch between skills and opportunities.
- ❖ Dr. Veena Tewari Nandi (University of Technology and Applied Sciences, Oman) underscored human capital as India’s most valuable resource, focusing on sustainability and the potential for India to excel as both a producer and consumer.
- ❖ Dr. Subodh Kesharwani (IGNOU) explored the transformative role of online skill development and education, emphasizing that learning drives change.
- ❖ Prof. A. K. Mohapatra (IGDTUW) addressed the importance of updating curricula, improving infrastructure, and preparing youth for Industry 4.0 skill requirements.
- ❖ Ms. Neha Grover Dargan (Johnson Controls Group) highlighted the value of soft skills, risk-taking, and adaptability in the workplace, offering practical advice to young professionals.

The session concluded with the release of the conference proceedings, setting the stage for a day of rich discussions and knowledge sharing.

Technical Sessions: Diverse Insights and Innovative Solutions

The conference featured three technical sessions where 79 papers—50 offline and 29 online—were presented by researchers and academicians.

Key Highlights:

- ❖ **AI and Technology:** Topics included the ethical use of AI in financial services, advancements in IoT for smart cities, and cybersecurity strategies for Viksit Bharat by 2047.
- ❖ **Sustainability:** Papers explored green business practices, the role of CSR in rural development, and consumer behavior toward sustainable products.
- ❖ **Skill Development and Education:** Presentations highlighted the role of teachers in vocational training, women's empowerment through innovation, and the synergy between NEP 2020 and AI in education.
- ❖ **Healthcare and Biotechnology:** Research ranged from AI-based diagnostics for neurological disorders to advancements in flow cytometry for medical analysis.
- ❖ **Entrepreneurship and Marketing:** Topics included digital marketing trends, the impact of generative AI on businesses, and strategies for talent management in various industries.

Each session fostered meaningful discussions and highlighted the interdisciplinary nature of addressing complex challenges in youth empowerment and skill development.

Valedictory Session

The conference concluded with a valedictory session featuring a certificate distribution ceremony and a heartfelt vote of thanks by Dr. Ruchi Sawhney. She commended the organizing team, speakers, and participants for making the event a grand success.

YETSA 2024 successfully provided a platform for fostering innovative thinking, collaboration, and actionable insights, empowering young minds to drive India toward a brighter, *Viksit Bharat* by 2047.

Dr. Ruchi Sawhney
Associate Professor, DBIT

Fostering Innovation & Entrepreneurship

Don Bosco Institute of Technology (DBIT), Okhla, continues to make significant strides in promoting innovation, entrepreneurship, and research excellence. The establishment of the Institution Innovation Council (IIC) has played a pivotal role in cultivating a dynamic ecosystem that encourages creativity and problem-solving among students and faculty.

Aligned with the Salesian ethos of education and service, the IIC at DBIT fosters an environment where innovation meets social responsibility. Through various programs, workshops, and industry collaborations, DBIT empowers students to turn their ideas into impactful solutions. The IIC not only supports startups but also facilitates mentoring, ideation competitions, and research projects.

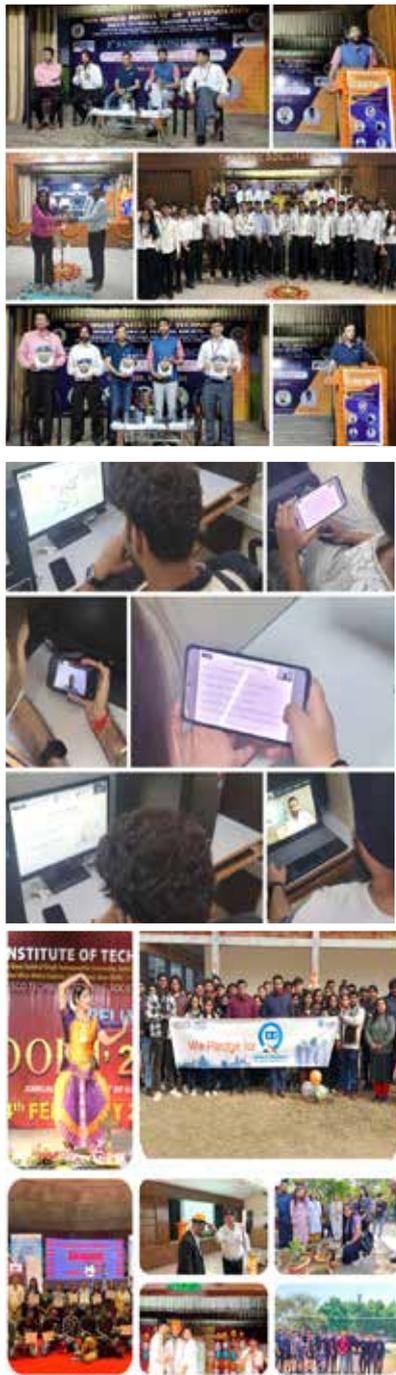

One notable example of student innovation is Hironix, a startup founded by Mr. Armaan Mandlaus that aims to streamline the hiring process by connecting employers with the right talent. DBIT has also seen breakthroughs in projects like Time Table Management and ERP systems, showcasing the institute's commitment to real-world solutions.

DBIT's efforts in promoting innovation were further highlighted through events like the Health Spark Ideathon, where students like Mr. Tahseen Rehman showcased groundbreaking healthcare innovations. Additionally, the Space Technology and Innovation Exhibition demonstrated DBIT's commitment to exploring cutting-edge technologies.

With a strong focus on interdisciplinary collaboration, mentorship, and real-world exposure, DBIT's IIC is shaping the future of technology and entrepreneurship, paving the way for the next generation of leaders and innovators.

Anurupa Ganguly
Assistant Professor, DBIT

BCA ORIENTATION DAY PROGRAM

The orientation program for the new batch of BCA 2024 students at Don Bosco Institute of Technology (DBIT), Okhla was held on August 2, 2024, Friday, in the auditorium. The event aimed to welcome the students and provide them with essential information about their academic journey ahead, including insights from esteemed guest speakers.

The program featured addresses from distinguished speakers, including Rev. Dr. Sajan M. George, Chairman of DBIT, who motivated students to focus on skill acquisition and resilience. Guest speakers Prof. A.K. Mohapatra from IGDTUW and Dr. Subodh Kesharwani from IGNOU emphasized on the importance of continuous learning and knowledge application in the rapidly evolving IT sector.

Dr. Rakesh Thakur, an industry expert, shared valuable insights on thriving in the IT industry, stressing the need for problem-solving and effective communication skills. Dr. Vikas Rao Vadi, Director of DBIT introduced the Institute's mission and expectations, ensuring students were well-prepared for their college life.

The orientation concluded with an interactive Q&A session and high tea, setting a positive tone for the students' academic journey at DBIT. This comprehensive program effectively bridged the gap between school and college life, preparing the new batch for their exciting future in the field of computer applications.

BCA (2024-2028)

Orientation Day

At Don Bosco Institute of Technology - BBA/B.Com(H) '24

On Sunday, August 4, 2024, Don Bosco Institute of Technology (DBIT), Oklha, hosted an engaging orientation program for the incoming BBA and B.Com (H) students. It was held in the college auditorium from 09.00 am to 01.00 pm. The event had the participation of around 250 students and their parents.

The event started with a seamless registration process, followed by a warm introduction by Ms. Charanpreet Kaur, Associate Professor. She welcomed the distinguished guests, including Dr. Amit Prakash Singh, Professor at Guru Gobind Singh Indraprastha University, Delhi, who graced the occasion as the Chief Guest. Dr. Singh shared an inspiring address, encouraging students to remain determined, build essential skills, and face challenges head-on. His speech emphasized on the importance of balancing knowledge, and skills, and a cultivating positive attitude for achieving success in life.

Rev. Dr. Sajjan M. George, Chairman of DBIT, followed it up with a motivational talk, urging students to maintain focus and persevere through challenges. Afterward, Dr. Vikas Rao Vadi, Director of DBIT, outlined the college's mission, core values, and expectations for the students, while introducing the faculty and department heads to familiarize them with their academic guides.

The event featured an alumnus, Mr. Abhishek Bhardwaj, who shared his enriching experience at DBIT and highlighted the multitude of opportunities provided by the college. Mrs. Sucharu Sahni, the guardian of a current outstanding student, also expressed her gratitude towards the supportive college administration.

The day concluded with light refreshments, providing a relaxed atmosphere for the students and parents to connect and discuss the promising journey ahead. The orientation event was an encouraging start, setting a positive tone for the future of the students at DBIT.

Harsha Dhupper
BBA (2024-2028)

INDUSTRY VISIT TO JOHNSON CONTROLS: Insights into the Order-To-Cash Process

On 5 August 2024, 51 students of BBA and B.Com (Honours) of Don Bosco Institute of Technology, Okhla had the valuable opportunity to visit Johnson Controls, Gurugram, with the company providing transportation, a leader in smart buildings and energy solutions, where they delved into the intricacies of the Order-to-Cash (O2C) process. During the visit, a seasoned professional in Johnson Controls, Mr. Vijender Gossain, a senior manager gave an insightful session on how the O2C process is handled within such a large-scale organization. This critical process, spanning from order management to final payment collection, was highlighted as essential to maintaining financial health and ensuring customer satisfaction. They explored key elements like credit management, invoicing, and order fulfillment, while also learning how aligning this process with the company's strategy helps optimize cash flow and minimize risks.

The visit also provided them with the chance to meet the leadership team of Johnson Controls, who emphasized the importance of innovation, sustainability, and customer-centricity in driving success. The leaders shared their vision and discussed the role of digital transformation and smart, energy-efficient solutions in staying competitive.

This experience not only deepened the understanding of industry challenges but also reinforced the importance of leadership and forward-thinking strategies in navigating the rapidly evolving market.

Jai Sachdeva
B. Com (Hons.) (2022-25)

AAJ TAK - Kavi Sammelan & Halla Bol

On August 09, 2024, Don Bosco Institute of Technology, Okhla, went to AAJ TAK India Today Mediaplex, Noida to be part of a channel discussion. 58 BBA and B.Com (Hons.) I Years participated as an audience for Aaj Tak's shows Kavi Sammelan and Halla Bol. It was spearheaded by Dr. Asjad Usmani and Dr. Santosh Kumar Singh.

The event began with Kavi Sammelan, hosted by veteran journalist Navjyot Randhawa. Students joined the live performances by poets and comedians like Shambhu Shikhar, Sudeep Bhola, Deepak Saini, and Anamika Walia. They also got an inside look into the high-energy, multi-camera setup and witnessed first-hand how a TV production unfolds in real-time.

After the lunch break, the students attended the shoot for Halla Bol, hosted by Mr. Anjana Om Kashyap. They observed intense political discussions featuring prominent figures like Prem Narayan Shukla (BJP), Waris Pathan (AIMLM), Lt. Gen. Vinod Bhatia (Retd.), and Sudhanshu Trivedi. Students got engaged in the Q&A session, gaining insights into the complexities and ethical challenges of live journalism.

This visit was a rare opportunity for students to experience the dynamic world of TV journalism. It provided practical exposure to studio production, technical know-how, and media ethics. More than just a behind-the-scenes tour, it was a hands-on learning experience that connected classroom theory to real-world applications, offering invaluable insights that will shape the students' future careers in journalism and media.

Dhruv Kunwar
BBA (2024-2028)

HEALTH & WELLNESS TALK BY INDIA TODAY GROUP THE LALLANTOP SHOW

On 29th of August, 2024, a group of 36 students from Don Bosco Institute of Technology visited the Health and Wellness Program organized by the India Today Group.

The Lallantop's popular show "Sehat Adda" took a deep dive into India's health sector, offering expert insights on pressing medical issues. The third edition, and Delhi's second one till date, held at The Le Méridien Hotel in Delhi, featured nine sessions covering a wide range of health topics.

The event opened with a speech by The Lallantop's Founding Editor, Saurabh Dwivedi. Sessions included "Sehat, Swaad aur Swag," focusing on personalized diets and busting myths regarding different foods, and "Diet - Betes," highlighting diabetes management. Other sessions included "Soya Soya Jaga-Jaga Sa" which discussed the topic of sleep deprivation, "Cutting Age" about skin care and cancer risks, "Dil Ki Baat Dil Hi Jaane" related to heart health, "Smile Please" regarding dental care, "In Aankhon Ki..." with respect to eye health and "Long... Live ...Liver" in regard to liver wellness.

The discussions, led by experts, emphasized the importance of lifestyle changes, awareness, and preventive care to combat common health challenges in India. The final session, "Sex, Joy and Fear," addressed the need for open conversations about sexual health, trauma and therapy to overcome it, and the importance of touch in mental well-being, underscoring the broader societal implications of these topics.

In conclusion, "Sehat Adda" provided valuable insights into India's health issues, emphasizing the importance of preventive care, healthier lifestyles, and open discussions to improve overall physical and mental well-being. The event left audiences more informed and empowered to enhance their health practices.

Zimraan Khan
BBA (2024-2028)

“Freedom Festival: Food Stalls, Rangoli, Kite Flying and Cultural Delights”

The 78th Indian Independence Day was celebrated with Institute of Technology, Sukhdev Vihar, embracing the theme India). The two-day event was a blend of cultural activities and the aspirations of the students and faculty to contribute to a Day One: The first day was alive with excitement as students **Competition**, where various teams set up stalls offering an array India but also from around the world. The students showed selling skills in the competition and the campus was filled with While every team gave it their all, three stood out for being particularly skilled at what they did. First position was secured by BCA-1B (Pragya, Shakti, Unnati, Navjot, Harsh, Gundeep, Garima). Second Position: BCA-1A (Shrestha, Jaikaran, Garvita, Yashanth, Aditya Sharma, Ayushman, Pradeep, Priyanshu, Akshita). Third Position: B.Com(Hons.) 1st Year (Manan, Ashlesha, Riddhi, Ashish, Akarshit, Ayush, Akshara, Elina, Sargun, Dakshina). The judges for the event were Mr. Asjad Usmani (HOD Management Department) Dr. P. K. Nayak (HOD of Commerce Department) Dr. Amandeep Singh Arora (HOD of IT Department) and Dr. Ruchi Sawhney (Asst. Professor) and stalls were judged based on the effectiveness of the stall name and tagline, creativity and decoration, stall hygiene, stall discipline, and sales performance.

The **Food Stall Competition** was followed by **Rangoli Competition**, when students showcased their artistic abilities in groups of two by crafting elaborate designs that represented India’s variety and harmony. In addition to showcasing ingenuity, the vibrant rangolis also represented the college community’s traditional values and rich cultural diversity. Aiman and Jasmeet, members of Team 6 BCA 1A(Batch 2024) scored the 1st position and Ms. Sazida and Ms. Riya Siwas BCA (Batch 2023) of Team 9 scored the second position. The judges for the event were Ms. Deepika Kirti (Asst. Professor) and Ms. Roseleen Gomes (Counsellor)

The vibrant colors and imaginative patterns drew admiration from judges and spectators alike, making it one of the standout moments of the day. Apart from these two events, the students were more hyped with a friendly football match and a game of housie was also organised amongst students of Bosco.

The second day begun with a formal but interesting event filled with talent. The opening ceremony of the event consisted of lighting of the lamp by the Chairman Father Sajan M. George, Director Dr. Vikas Rao Vadi and student representatives from BCA, BBA and B.Com(Hons.). Speeches were delivered by our hon’ble chairman Rev Dr. Sajan M. George and director Dr. Vikas Rao Vadi. The event later proceeded with students showing their talent with extravagant performances that consisted of dances, singing performances and a special skit on the Independence Day theme showcasing India’s never give up attitude and the leadership of the country. In the afternoon the mood shifted to one of the festive joys of Independence Day with the Kite Flying competition in teams of two and a patriotic costume contest. The excitement on the student’s and faculty’s faces was clearly visible. The winners of the Kite Flying Competition were Mr. Aditya shall and Mr. Vishal Chaudhary of BBA 1B (Batch 2024). The winner of the patriotic costume contest is Ms. Sazida BCA (Batch 2023). The 2024 Independence Day celebrations at Don Bosco Institute of Technology not only honoured the nation’s past but also looked forward to a bright future. The event was a testament to the college’s commitment to nurturing the leaders and innovators of tomorrow, who will play a pivotal role in realizing the vision of “Viksit Bharat”.

enthusiasm at Don Bosco “Viksit Bharat” (Developed patriotic fervour, reflecting prosperous India. participated in a **Food Stall** of delicacies not only from extravagant cooking and aromas of diverse cultures.

BCA (2024-2028)**

SUCCESSFUL PLANTATION DRIVE AT DON BOSCO INSTITUTE OF TECHNOLOGY

A STEP TOWARDS A GREENER CAMPUS

The Plantation Drive was organized by the Eco club, with support from the college administration. The initiative aimed to plant around 100 saplings across various parts of the campus, including college ground. The selected plants were a mix of shrubs, and flowering plants, chosen for their environmental benefits and their ability to thrive in the local climate.

Students from various departments came together, equipped with gardening tools and wearing smiles of determination. Faculty members and staff also joined in, making it a truly collaborative effort. The event started with an inaugural speech of Dr. Sajan M George followed by Dr. Vikas Rao Vadi, they emphasized the importance of plants in combating climate change and promoting biodiversity.

Throughout the day, participants not only planted saplings but also learned about the importance of each species and its role in the ecosystem. We have clicked pictures with different kind of saplings and made video that show how enthusiastically all students participated in this event this shows their love towards nature.

The Plantation Drive was a resounding success, reflecting the college community's dedication to environmental stewardship. As the saplings grow, they will serve as a living testament to the college's not only beautify the campus but also install a sense of responsibility in students, preparing them to be environmentally conscious citizens.

The drive was a reminder that every small step towards sustainability counts, and collective efforts can lead to significant positive changes.

BCA (2023-2026)

TEACHERS' DAY CELEBRATION

On 5 September 2024, Don Bosco Institute of Technology, Okhla organized a memorable Teachers' Day event to honor and appreciate the contributions of teachers who shape the lives of students. It was a day dedicated to expressing gratitude, showcasing talents, and celebrating the bond between students and teachers. The event was held at the college auditorium which was decorated vibrantly. The event commenced with the arrival of teachers, greeted warmly by students at the entrance to the auditorium. Each teacher was presented with a flower as a token of appreciation. The program began with the lighting of the lamp, a message from our honorable Director Dr. Vikas Rao Vadi, followed by a series of performances by the students to entertain and express their gratitude to the teachers. These performances ranged from dance and musical recitals to poetry recitations, all centered around the theme of education and respect for teachers.

The title and Gift distribution segment was designed to honor teachers not only for their academic contributions but also for their unique personalities, teaching styles, and the positive influence they have on students. The ceremony featured creative titles for each teacher, reflecting their traits, contributions, and the lasting impression they leave on students.

The Teachers' Day celebration was a resounding success, filled with appreciation, joy, and heart-warming moments. It strengthened the bond between students and teachers, reminding everyone of the vital role educators play in the lives of students. The event ended on a positive note, with teachers feeling acknowledged for their hard work and students walking away with a renewed sense of respect for their mentors.

Celebrating India's Space Prowess:

National Space Day at Don Bosco Institute of Technology

On **August 23, 2024**, Don Bosco Institute of Technology celebrated **National Space Day**, honoring India's *Chandrayaan* mission and fostering curiosity about space exploration. The event featured engaging activities, including a quiz competition organized by the **Literature and Poetry Club**, where 12 teams competed across three rounds. The team of **Pragya Rawat, Garima Joshi, and Christeena of BCA 2024-28** emerged as winners, with **Medhavi Rampal, Hari Om, and Elvis Marshal of BCA 2022-2025** as runners-up.

A spirited debate on the topic **"Is India investing too much in space exploration at the cost of addressing pressing social issues?"** Showcased insightful arguments. The winning team, **Riya Siwas and Habiba Khan of BCA 2023-2026**, impressed the judges, while **Rohan Saini and Suhaani Gera of BCA 2023-2026** and **Jashnam Sachdev of BCA 2022-2025** with **Arjun Rehal of BCA 2023-2026** secured runner-up positions.

The day also featured a thought-provoking exhibition titled **"Space Technology and Innovation,"** showcasing advancements like spacecraft, robotics, and future trends such as asteroid mining. **Ayushman Mishra, Aditya Sharma, Priyanshu Mathpal, Pradeep Pandey, Garima Joshi, Pragya Rawat, and Akshita Bisht of BCA 2024-2028** were recognized for their contributions. Additionally, a paper presentation, **"Innovative Frontiers: Pioneering the Future of Space Exploration,"** led by **Prof. Vikas Rao Vadi**, highlighted cutting-edge topics like Next-Generation Propulsion Systems, AI in Space Missions, and Resource Utilization. The winners in the paper presentation were **Sambhav Chugh and Sahiljeet Singh Kalsi of BCA 2022-2025**.

National Space Day was a resounding success, inspiring students to explore the limitless possibilities of space and celebrate India's remarkable achievements.

BCA (2023-2026)

Awareness of National Sports Day (Indoor Games & E-Sports)

The Don Bosco Institute of Technology, Okhla celebrated National Sports Day on August 29, 2024, with great enthusiasm. The event saw participation from 120 students across BBA, B. Com (H.), and BCA. It featured indoor games and e-sports competitions, fostering a vibrant display of sportsmanship and teamwork.

Named NEXUS Infinity, the event aimed to promote indoor games and sports while commemorating National Sports Day. Students competed in Chess, Ludo, Carrom, and BGMI (Battlegrounds Mobile India).

In the BGMI tournament, 19 teams competed, and the teams of Manas Jha (BBA 2023-26), Luv Choudhary (BCA 2024-28), Brandon Jude Savaille (B.Com (H.) 2023-26), and Gaurav Khanna (B.Com (H.) 2023-26) emerged as champions, earning a cash prize for their strategic gameplay. In Ludo, Muskan (BCA 2023-26), outperformed 21 teams to secure first place and a cash prize. The Carrom tournament featured 8 teams, with Lawrence Biju (B. Com (H.) 2023-26) showcasing exceptional skill to claim the top spot.

The event fostered camaraderie and unity among participants, with seamless organization by the Sankalp Rotaract Club and the Techno Club. The National Sports Day celebration at DBIT was a resounding success, highlighting the spirit of sportsmanship within the student community.

BBA (2022-25)

हिन्दी दिवस

DBIT में 13 सितंबर 2024 को हिंदी दिवस समारोह बड़े उत्साह और जोश के साथ मनाया गया। इस अवसर पर शेक्स पीयर्स (साहित्य और काव्य क्लब) द्वारा एक वाद-विवाद प्रतियोगिता का आयोजन किया गया, जिसमें विद्यार्थियों ने बड़-चढ़ कर भाग लिया। प्रतियोगिता का विषय था, "क्या हिंदी भाषा भारत की विविधता में एकता का प्रतीक हो सकती है?" यह एक महत्वपूर्ण और समकालीन मुद्दा है, जिस पर विद्यार्थियों ने अपने विचार प्रस्तुत किए। प्रतिभागियों ने न केवल हिंदी भाषा के महत्व और इसके सांस्कृतिक, सामाजिक और ऐतिहासिक पक्षों को उजागर किया, बल्कि इस पर भी चर्चा की कि कैसे हिंदी एक सशक्त माध्यम हो सकती है जो विभिन्न भाषाई, धार्मिक और सांस्कृतिक समुदायों के बीच पुल का काम कर सकती है।

इस प्रतियोगिता में विद्यार्थियों ने हिंदी के विभिन्न पहलुओं पर जोर दिया जैसे:

1. हिंदी का साहित्यिक और सांस्कृतिक योगदान
2. हिंदी का विभिन्न राज्यों और क्षेत्रों के बीच संवाद और संचार में भूमिका
3. हिंदी के माध्यम से भारतीय पहचान और राष्ट्रवाद की भावना का निर्माण विजेताओं की सूची:

पहला स्थान: रिया सिवास और क्रिस्टीना सी. रेरची (BCA 2023-2026)—इन्होंने अपने तर्कों में इस बात को बखूबी प्रस्तुत किया कि हिंदी भाषा, भिन्न-भिन्न समुदायों के बीच एकता का सेतु कैसे बन सकती है।

दूसरा स्थान: विशाल चौधरी और खुशी गोसाईं (BBA 2024-2028)—इनका दृष्टिकोण हिंदी के विकास और आधुनिक संदर्भ में इसकी प्रासंगिकता पर केंद्रित था।

तीसरा स्थान: सानिया कुमारी और यश त्याल (BCA&B 2024-2028)—इन्होंने हिंदी भाषा के ऐतिहासिक और सांस्कृतिक महत्व को प्रभावी ढंग से प्रस्तुत किया।

इस प्रतियोगिता में भाग लेने वाले सभी विद्यार्थियों के प्रदर्शन को सराहा गया, और उनकी रचनात्मकता, विचारशीलता और तर्कशक्ति को मान्यता दी गई। प्रतियोगिता का उद्देश्य न केवल हिंदी के प्रति जागरूकता बढ़ाना था, बल्कि भाषा की विविधता और समृद्धि के महत्व को भी उजागर करना था।

समारोह का समापन सभी प्रतिभागियों और विजेताओं को बधाई देने के साथ हुआ, और इस अवसर ने हिंदी भाषा के प्रति सभी के उत्साह और प्रेम को प्रोत्साहित किया।

World Ozone Day: A GLOBAL CALL TO PROTECT EARTH'S SHIELD

World Ozone Day is commemorated annually on September 16. It serves as a global reminder of the critical role the ozone layer plays in safeguarding life on Earth. The theme for this year emphasizes the ongoing need for international collaboration to protect the ozone layer and underscores the importance of sustained environmental efforts in mitigating the damage caused by ozone-depleting substances.

Observing this significant day, the students of Don Bosco Institute of Technology, Okhla actively participated in a digital poster-making competition aimed at raising awareness about the preservation of the ozone layer. The event not only provided a platform for creative expression but also encouraged the participants to reflect on the environmental challenges posed by ozone depletion and the collective responsibility we share in addressing them.

The competition witnessed impressive submissions from various students, with a panel of judges selecting the most Profound works. The winners of the competition are:

- Anurag Kumar : BBA (2024-2029) - I Position
- Haroon Iqbal : B.Com (H) (2024-2029) - II Position
- Naman : BBA (2024-2029) - III Position

These outstanding contributions reflected both creativity and a profound understanding of the environmental crisis. The event highlighted the dedication of Don Bosco students to environmental advocacy, demonstrating their commitment to raising awareness and promoting action toward protecting the ozone layer and, by extension, the global environment.

This initiative stands as a testament to the Institute's commitment to fostering not only academic excellence but also social responsibility and environmental stewardship among its students.

REDUCING WASTE, CREATING ART: DBIT's Inspiring Competition

Swachh Bharat Abhiyan is one of the most ambitious and transformative national initiatives launched by the Government of India. To mark this occasion, our college organized the day's events.

Poster Making Competition, Best Out of Waste, Street-Play (*Nukkad Natak*), and Cleanliness Drive were organized at Don Bosco Institute of Technology, Okhla on 30 September 2024, showcasing the creativity and environmental awareness of the students. The theme for the event was *Swachh Bharat Abhiyan*, encouraging students to express their ideas about environmental conservation through artistic designs. Mr. Subhash Gautam, of Municipal Corporation of Delhi (MCD) was the Chief Guest of the celebrations.

The **Poster Making Competition** invited students to express their ideas visually, choosing themes that resonate with contemporary challenges such as climate change, mental health, and social justice. This competition fostered teamwork, as students often collaborated in groups, sharing ideas and enhancing their communication skills.

The **Best Out of Waste Competition** encouraged students to transform discarded materials into innovative and functional items. This event emphasized the importance of recycling and creative thinking, challenging participants to see potential in everyday waste.

The **Street-play (*Nukkad Natak*)**

competition was held, where 4 teams participated and presented their acts according to the theme.

In Cleanliness Drive Students and staff came together to clean the campus and its surroundings, demonstrating a strong commitment to the cause.

Cultural Performance: The event also featured an energetic dance performance aimed at promoting cultural awareness and unity.

A panel of judges evaluated the entries based on creativity, relevance, and execution, with winners receiving certificates. Mr. Subhash Gautam (MCD), Ms. Juliet D'souza, Dr. Pramod Kumar Nayak were on the panel. They gave their judgment after the keen observation. Harsh Kumar Gautam secured first position, Vishal Choudhary was in second position and Harsha secured third position in

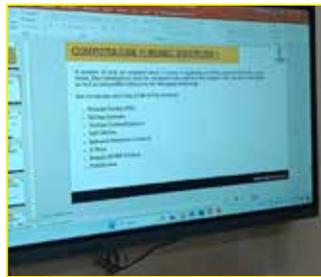

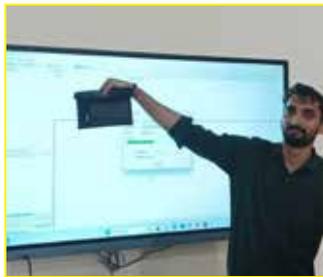

the Best Out of Waste competition. The winners of the Poster Making Competition were Sreerexha. R. Nair (First), Sania Lalwani (Second), Paramjeet Kaur (Third). In *Nukkad Natak* Team 2 got the first position, Team 4 secured second and Team 1 got third position.

By participating, students not only enhanced their artistic skills but also became advocates for social change, making a positive impact on society and the planet.

Digital Forensics Workshop: Bridging Theory and Practice in Cybersecurity

In a world increasingly dependent on digital technologies, the rising sophistication of cybercrime has highlighted the critical role of digital forensics in cybersecurity and legal investigations. Recognizing this pressing need, the Department of Computer Science & IT at Don Bosco Institute of Technology, Okhla, in collaboration with industry experts from Forensic Care Technologies, hosted an enlightening workshop on Digital Forensics on Monday, 23 September 2024.

This workshop, a flagship initiative of the Techno Club, was attended by 65 students alongside faculty members and IT professionals, emphasizing the institution's commitment to fostering practical knowledge and industry-ready skills.

Workshop Overview

The workshop commenced with an introduction to the basics of digital forensics. Participants were introduced to its significance in cybersecurity and its applications across domains such as computer forensics, network forensics, mobile forensics, and cloud forensics.

Hands-On Technical Sessions

The highlight of the workshop was its practical focus, which included:

- **Introduction to Key Forensic Tools:** Participants explored widely used tools like FTK (Forensic Toolkit), Autopsy, and EnCase. These tools, vital for professionals, provided insights into data recovery and analysis techniques.
- **Live Demonstrations:** Experts conducted live sessions demonstrating how to recover lost data, trace cybercriminal activities, and analyze digital footprints.
- **Simulated Cybercrime Cases:** Attendees gained practical experience by working on simulated scenarios, using forensic tools to conduct investigations and document findings.
- **The Digital Forensics Workshop successfully fulfilled its goal of educating participants about the importance of digital forensics in combating cybercrime. Attendees praised the interactive sessions, the expertise of the resource persons, and the opportunity to gain practical experience.**

Swati Sharma
Assistant Professor, DBIT

The Department of Computer Science & IT expressed gratitude to the industry experts from Forensic Care Technologies, for their invaluable contributions.

COLLEGE ELECTION CONDUCTED VIA ANDROID APP DEVELOPED BY BCA STUDENTS

On September 21, 2024, a groundbreaking event took place at Don Bosco Institute of Technology, Okhla, as the annual student body elections were conducted through an innovative Android app developed by two talented BCA (Batch 2022-2025) students, Akshat Khurana and Kartik Rawat. Their project, created using Android Studio, under the mentorship of Dr. Ruchi Sawhney streamlined the election process and brought a new level of efficiency to the event.

The election was organized for 12 college clubs, with three positions up for grabs in each: President (for III Year students), Vice President (for II Year students), and Secretary (for I Year students) under the supervision of the Election officer Dr. Ruchi Sawhney and Mrs. Charanpreet Singh. A total of 145 candidates were nominated across these positions, and the student body was excited to cast their votes for their favorite candidates.

Over 830 students participated in the voting process, demonstrating a high level of engagement in this year's elections. In addition, around 40 faculty members cast their votes through the same app, making it truly an inclusive event. The mobile app, designed by Akshat and Kartik, was user-friendly and secure, ensuring a smooth voting experience for all.

On the same day, the Class Representative (CR) elections were also held in parallel. These elections were conducted through a traditional ballot box method for each respective batch, allowing students to vote for their batch CRs.

The innovative use of technology in conducting the college elections via the app not only made the voting process more efficient but also showcased the technical skills of Akshat and Kartik. Their work demonstrates the potential of mobile app development in modernizing traditional systems and serves as an inspiration to their peers.

The election day was a great success, with students and faculty alike appreciating the seamless integration of technology in a traditional process. This event marked a significant milestone in our college's journey toward embracing technology in governance.

Kartik Rawat

Welcoming the Future: DBIT's Unforgettable Fresher's Party

The Don Bosco Institute of Technology (DBIT), Okhla, hosted a vibrant fresher's party on 28 September 2024, offering new students a warm and exciting welcome to the college. The event was a perfect blend of talent, style, and camaraderie, leaving attendees with cherished memories and setting the stage for an exciting academic year. The day was filled with energy as students participated in cultural performances, showcasing their talents in music, dance, poetry, and comedy. These acts brought the crowd to life, reflecting the enthusiasm and creativity of the DBIT community.

One of the most anticipated moments was the crowning of Mr. and Ms. Fresher, with Akanshu Arora and Anika Maheshwari (BCA Batch 2024-28) winning the prestigious titles for their captivating personalities and talents. The stylish Mr. and Ms. Fashionista titles went to Jai Karan (BCA Batch 2024-28) and Akshita, celebrated for their impeccable sense of fashion. Food stalls arranged by the management of the college added flavor to the event, serving a wide variety of delicious snacks and beverages catering to diverse tastes. Creative photo booths offered students a chance to capture memories of this special day. The well-organized party fostered a lively and inclusive atmosphere, helping new students feel at home. It was a true celebration of talent, unity, and excitement, making it an unforgettable experience for all.

FACULTY DEVELOPMENT PROGRAM: BRIDGING ACADEMIA AND INDUSTRY

On October 5, 2024, Don Bosco Institute of Technology (DBIT), Okhla, hosted a Faculty Development Program (FDP) titled “Navigating the Future: Aligning Academic Skill Development with Industry Needs”. The session, convened by Dr. Asjad Usmani under the guidance of Prof. (Dr.) Vikas Rao Vadi, was attended by all the faculty members.

The FDP aimed to bridge the gap between academia and industry, equipping educators with tools to prepare students for evolving job markets and entrepreneurial opportunities.

The keynote speaker, Mr. S. Rajnish, a distinguished entrepreneur, emphasized aligning academic practices with industry demands. He highlighted three critical industry trends: Data-Driven Decision Making, Digital Transformation, and Sustainability. He shared strategies for integrating skills like critical thinking, communication, and technological proficiency into teaching frameworks. Practical examples from VCrop Technologies demonstrated successful academia-industry collaborations. He also urged institutions to adopt modular curricula to adapt to rapid technological changes. The event concluded with a vote of thanks by Dr. Asjad Usmani, acknowledging participants and the invaluable insights shared by Mr. Rajnish. This FDP exemplified DBIT’s commitment to fostering academic excellence and innovation, preparing educators and students to meet the challenges of the future with confidence.

STRATEGIZE YOUR CAREER PATH: ROAD TO EXCELLENCE.

Don Bosco Institute of Technology, Okhla, had an insightful workshop on “Digital Tools and Job Opportunities” on November 14, 2024, conducted by industry experts from NIIT, the global leader in skills and talent development. It provided students and faculty with an all-round understanding of the key digital tools, career pathways, and the ever-changing demands of the modern digital economy. Participants were exposed to tools like Microsoft Power BI, Tableau, GitHub, and Google Workspace to show how they can be applied in business analytics, software development, and collaborative workflows. The interactive session was a combination of technical demonstrations and career guidance, giving attendees practical insights into emerging fields such as data science, digital marketing, cloud computing, and cybersecurity.

Targeted at filling skill gaps and promoting digital literacy, the workshop threw emphasis on the need to align academic projects with industrial requirements. Participants explored the hands-on functionalities of digital tools and learned about the various certification pathways offered by NIIT for enhancing employability. Experts also provided career advice tailored according to individual needs, stating the vast opportunities unlocked with digital proficiency. The session ended with a rich Q&A session on queries, like strategies for career planning to succeed in increasingly tech-driven job markets. This initiative, yet again, reflects the pursuit of the institute toward preparing and equipping students with an aptitude for this dynamic professional environment that they will be part of most probably.

DON BOSCO INSTITUTE OF TECHNOLOGY SHINES AT THE XIX ANNUAL GGSIPU SPORTS MEET

The XIX Annual Sports Meet of Guru Gobind Singh Indraprastha University (GGSIPU), Delhi was held from 13 to 20 October 2024. It was a spectacular celebration of athletic talent and competitive spirit. With participation from over 65 affiliated colleges, the event featured 19 exhilarating sporting events hosted on the university's main campus at Dwarka Sector 16-C.

Don Bosco Institute of Technology (DBIT), Okhla, was honored to participate in this prestigious sports extravaganza. Our athletes competed in over 15 events, showcasing remarkable skill, teamwork, and determination. Notably, our teams reached the quarter-finals in Football, Kabaddi, and Basketball—an achievement that underscores their dedication and hard work.

Medal Tally: Celebrating Our Champions Our students brought immense pride to DBIT by securing medals across various categories:

GOLD MEDAL

4x400m, Relay Race

Abin Biju (BBA 2023-2026) Fleming Siby (B Com [H] 2023-2026)
Alex Kerketta (BCA 2023-2026) Vinamr (BCA 2024-2028)

GOLD MEDAL

4x100m, Relay Race

Abin Biju (BBA 2023-2026) Leo Jobichen (BBA 2022-2025)
Vaishnav Nair (BBA 2024-2028) Anugray P. V. (BBA 2024-2028)

SILVER MEDAL

Power Lifting

Tarun Kushawaha (BCA 2023-2026)

BRONZE MEDAL

800m, Race

Abin Biju (BBA 2023-2026)

We extend our warmest congratulations to all the medalists and participants for their phenomenal performances. Their dedication and perseverance are a testament to DBIT's commitment to fostering sportsmanship and excellence.

As we celebrate this year's achievements, we eagerly look forward to future competitions. Let us continue to inspire, train, and achieve greater milestones, carrying forward the proud legacy of Don Bosco Institute of Technology.

Anuradha Pal
BBA (2024-2028)

The *Dandiya* celebration was one of the most awaited events in the college, bringing together everyone to celebrate the traditional dance and music of Gujarat. On 10 October 2024, during the festive season of Navratri, this event was celebrated and it brought energy of color, music, and joy, transforming the campus into a lively dance floor.

Our college organizes *Dandiya* Day intending to celebrate Indian culture in a fun and engaging way. In the days leading up to the event, the college buzzes with excitement as students, faculty, and staff get involved in planning, decorating, and preparing for the day. From beautiful traditional attire to the music, *Dandiya* Day is all about celebrating together in style and grace, transforming the campus into a vibrant space filled with music, dance, and enthusiasm.

As the event began, the music filled the air, and everyone gathered to start the *Dandiya* Raas. The DJ played traditional folk songs and popular Bollywood tracks, creating an energetic atmosphere. Students paired up and participated in synchronized steps, twirling and tapping their *dandiya* sticks, adding to the magic of the evening.

Beyond the dance, *Dandiya* Day held special significance as it allows students from diverse backgrounds to come together and appreciate Indian culture. It was surely a memorable celebration.

A GLIMPSE OF DIWALI CELEBRATIONS AT DON BOSCO INSTITUTE OF TECHNOLOGY

Don Bosco Institute of Technology, Okhla, came alive with colors, lights, and endless joy as we celebrated the festival of light together! From mesmerizing performances to vibrant rangoli designs, every corner of the campus was filled with Diwali cheer.

Highlights:

Cultural Extravaganza: Students showcased stunning dances, soulful music, and dramatic performances that truly captured the spirit of Diwali!

Rangoli & Decorations: The creativity was unmatched as our campus was adorned with beautiful colors and intricate designs.

Food Delights: The food stalls were a hit, offering mouth-watering festive treats and sweets that everyone loved!

Picture-Perfect Moments: We saw endless smiles as friends captured memories together in their traditional attire.

Mr. and Mrs. Ethnic: This part of the event was very interesting. It was divided into two rounds. The first round was the Ramp Walk where participants show their ethnic wear and are judged based on their attire and confidence. The second round was the Talent round in which the selected ones had to perform spontaneously. The highlight of the evening was the much-anticipated prize distribution ceremony. The winners were announced with great enthusiasm, and the audience cheered as each name was revealed. Our esteemed Chairman, Rev. Dr Sajan M George distributed the prizes, adding a touch of warmth and pride to the occasion.

Khushi Gusain (BBA 2024-28) and Sayyed Abdul Ghani (BBA 2022-25) were crowned **Ms. and Mr. Ethnic showcasing** their elegance and charm. **Akanshu Arora (BBA 2024-28)** was crowned as **Best Dressed**. **Muskan Arora, Sapna, and Dikshita** of BBA Batch 2024-28 won the first position in the **rangoli competition**. **Aditi Dhadwal** and **Nishtha Pant** of BCA Batch 2023-26 won the **second position** and **Jasmeet Kaur and Aiman Zaidi** of BCA Batch 2024-28 won the **third position**.

For the Stall competition, the first place was won by Stall No. 3, BCA (2022-25) **Hari Om, Medhavi Rampal, Elvis Marshall, Aditya H Kumar, Sanjam Kataria, Lavya Singhal, Sachin Kumar Chaturvadi and Sameer Kumar**.

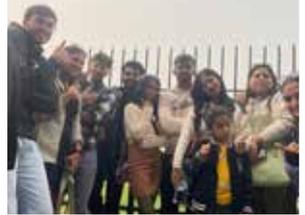

The ceremony concluded with heartfelt congratulations and applause for all the participants who made the event a grand success. A big thank you to everyone who joined and helped make this celebration a magical one! Here's to more such joyous moments together.

Himanshi Mehta
BCA (2022-25)

The Educational Excursion to Dharamshala & Amritsar

The educational trip to Dharamshala and Amritsar from 8 - 12 October 2024, was a remarkable experience that blended learning, exploration, and team bonding. Our adventure kicked off with a picturesque drive from Delhi to Dharamshala, where the welcoming atmosphere of Hotel Incover set a positive tone for our stay. In Dharamshala, we paid our respects at the War Memorial, a touching homage to our heroes, and visited the HPCA Cricket Stadium, which offered breathtaking views of the Himalayas. Strolling along Mall Road added a cultural flair as we discovered local crafts and delicacies.

The third day was dedicated to immersing ourselves in nature and spirituality. We started with a peaceful walk through the Tea Gardens, gaining insights into tea cultivation surrounded by lush greenery. The stunning Bhagsu Waterfall left us speechless, and our visits to the Tibetan Monastery and an ancient church enriched our understanding of local traditions and history. We wrapped up the day with a vibrant bonfire at the hotel, where we sang, danced, and shared stories under a starlit sky, strengthening our friendships and teamwork. Amritsar provided a different yet equally rewarding experience. The Wagah Border ceremony was a display of patriotic fervor, evoking strong emotions and respect for our country. Our visit to the Golden Temple was a spiritual highlight, captivating us with its tranquil beauty and deep cultural significance.

This journey struck a perfect balance between education, adventure, and relaxation. It enhanced our appreciation for India's cultural and natural diversity, highlighted the importance of teamwork and discipline, and created lasting memories of friendship and exploration.

FOSTERING COLLABORATION: Parent-Teacher Interaction at Don Bosco Institute of Technology (DBIT), Okhla

This semester's PTI (Parent-Teacher Interaction) was officially held for 5th Semester on November 30, 2024 (Saturday), for 3rd Semester on December 02, 2024 (Monday), and for 1st Semester on December 03, 2024 (Tuesday), at the Don Bosco Institute of Technology Campus.

The objective of the interaction was to review the students' academic progress, behavioral patterns, and social development, and to hand over the admit cards for the end-term examinations to the parents, and to build a positive connection between the parents and teachers. The aim was to enhance coordination and understanding for the holistic development of the students. Parental involvement in students' academic journey plays an important role in shaping their future and helping them set meaningful goals.

One-on-one discussions between parents and teachers allowed for personalized feedback and open communication. Teachers provided insights into each student's strengths, areas requiring attention, and strategies for improvement, while parents shared their observations and concerns.

The parent-teacher meeting was a step towards strengthening the collaboration between the college and the families, ultimately working together for the students' holistic development.

Om Kumar Singh
BCA (2023-26)

INDUSTRY INTERACTION WITH MARELLI: A Gateway to the Automotive World

On December 5, 2024, students from the BCA and BBA programs at Don Bosco Institute of Technology, Okhla, had the opportunity to attend an insightful industry interaction session with delegates from Marelli, a global leader in the automotive sector. The event, held in the Computer Lab, and attended by 30 students, was a significant step toward bridging the gap between academic learning and real-world industry practices.

The students were introduced to the automotive sector as they learned about career paths and skills needed, shared advancements in automotive systems, need for teamwork, communication, and problem-solving.

The students gained deeper knowledge of the automotive field, insights into future career opportunities, an understanding of cutting-edge systems, improved communication, critical thinking, and motivation to strive for innovation.

This industry interaction session was a valuable initiative that provided the students with a glimpse into the dynamic and innovative world of automotive engineering. The event not only enriched our technical and soft skills but also inspired us to envision their future roles in the industry.

Suhani Gera
BCA (2023-26)

The department extends its gratitude to Marelli.

Christmas Day Celebration for Faculty & Staff

The good news of Christmas is that the message of Christmas is timeless, irrespective of the circumstances. Christmas is about the birth of God's Son – Jesus. It is about how he came to give us love, hope, and joy.

On 23 December 2024, faculty and staff at Don Bosco Institute of Technology (DBIT), Okhla, celebrated Christmas with great pomp and joy. The celebration included some nice thoughtful Christmas messages and addresses from the Chairman, Dr. Sajjan M. George, and the Director, Dr. Vikas Rao Vadi. There was a great compering by our faculties, carols, fun games and titles for all faculty and staff. It was followed by a delicious high tea and a dance session. The faculty and staff exchanged wishes, clicked pictures, and made some beautiful memories.

The celebrations ended on a high note wishing each other lots of success, good health, and positivity for the year 2025.

Anurupa Ganguly
Assistant Professor, DBIT

Rotaract Activities

Rotaract Club-The Sankalp Committee of DBIT put in their best efforts from August to December 2024.

The events ranged from organising a tree plantation drive on 4 August 2024 where the focus was on environmental conservation and adherence to sustainable development. Another stint dated 20 August 2024 was meeting the District Governor at the Installation ceremony of President of Rotary International Club of Okhla which emphasized the importance of youth leadership and community service collaboration. The Installation Ceremony of DRR Geetika and her team at an event, named 'Navyug' took place at PHD Chamber of Commerce on 24 August 2024. The ceremony marked the beginning of a new leadership era, promising innovative approaches to community service and youth empowerment initiatives. On 29 August 2024, DBIT celebrated National Sports Day with a vibrant and engaging event focused on indoor games and e-sports. This

event was organized by Rotaract & Techno Club. The day features a variety of competitive activities, including chess, carrom, ludo, and popular e-sports titles Like BGMI. On 30 August 2024, Plantation Drive was organised in the college premises wherein 101 plant saplings were planted. Around 150 students and faculty members were a part of this great initiative to protect and preserve our natural environment for the upcoming generation.

personal growth, and community bonding through reflection and meaningful interactions. On 12 and 13 September 2024, the club successfully conducted interviews for various Rotaract Board of Directors positions, including roles like Graphic Designer, Content Creator, and Editor. A remarkable 75 students from diverse courses enthusiastically participated, showcasing their talents and leadership potential. The Albus Assembly Meeting was organized at Adarsh Public School, Viaspuri, and hosted the Rotaract District 3011's Albus Assembly Meeting on 21 September 2024. The assembly focused on strengthening inter-college Rotaract relationships and planning future collaborative initiatives.

On 6 September 2024, Rotaract District 3011 hosted a unique zonal event titled "Serenity and Fellowship" at Gurudwara Bangla Sahib. This spiritual and connecting experience provided Rotaractors with an opportunity for Sewa Bhav,

Online Sports Tournament was organized on 15 September 2024, where Rotaractors of Sankalp won first position in Inter- Rotaract Clubs. On 30 September 2024,

DBIT enthusiastically celebrated the Swachh Bharat Abhiyan with a series of impactful events. The celebration included a cleanliness drive, where students and staff actively participated in cleaning the campus and surrounding areas, promoting the message of hygiene and environmental care. A powerful Nukkad Natak (street play) was performed, highlighting the importance of cleanliness and public responsibility. The event also featured an energetic dance performance, adding a cultural touch to the day's activities, and making it both engaging and educational for all participants.

On 14 November 2024, the Sankalp Rotaract Club spread joy and smiles at Blessing NGO, celebrating Children's Day with 55 incredible kids aged 4 to 13. The day was filled with laughter, fun games, music awareness sessions on child safety, and moments of pure happiness. Students of Sankalp, DBIT Rotaract Club shared thoughtful gifts, delicious snacks, and unforgettable memories, embracing the true spirit of the day – spreading love and care for every child.

On 1 December 2024, on the occasion of World AIDS Day, the Rotaract Club of DBIT conducted an online quiz-based awareness event to spread knowledge about HIV/AIDS. The event aimed to engage participants interactively, encouraging them to learn more about the virus, its prevention, and the importance of early detection. A total of 108 participants registered for the event, showcasing the significant interest and commitment toward learning more about HIV/AIDS. On December 2, 2024, the club organized a vibrant awareness program on Women's Empowerment at Pt. Amar Nath High School, NIT Faridabad, for students of classes 6th and 7th. The session featured engaging activities, including discussions on gender equality, challenges faced by women, inspiring stories of leaders like Draupadi Murmu and Mary Kom, and practical ways students can promote equality. The event concluded with enthusiastic participation and thoughtful insights, fostering a culture of inclusivity and empowerment for the next generation. On 2 December 2024, National Pollution Control Day was celebrated. To address pollution issues and encourage active participation in creating awareness, the club organized a Short Video Making Competition on the theme 'Pollution Control'. Over 10+ Participants took part in this activity. On the occasion of the International Day of Persons with Disabilities (observed every year on 3 December 2024), Sankalp reaffirmed its commitment to fostering inclusivity and equal opportunities for all. The club conducted an Online Quiz to raise awareness about disabilities and to celebrate the resilience and achievements of individuals with disabilities. The theme of the event focused on promoting understanding, and breaking barriers, and highlighted the importance of creating an equitable society where everyone had the opportunity to thrive. A total of 65 participants registered for the event and engaged in awareness.

On the momentous occasion of December 14, 2024, the Sankalp Rotaract Club of DBIT illuminated the spirit of National Energy Conservation Day with a vibrant and thought-provoking short reel-making competition. Centered on the vital theme of energy conservation, this virtual celebration, hosted via

Google Forms,

drew the enthusiastic participation of 10 creative minds, each showcasing their vision for a sustainable tomorrow.

Don Bosco Institute of Technology hosts Vibrant "Anugoonj'25 Zone-5" Prelims

New Delhi, January 21, 2025 - Don Bosco Institute of Technology (DBIT), Okhla played host to the exciting prelims of "Anugoonj'25 Zone-5," the 24th annual cultural fest of Guru Gobind Singh Indraprastha University (GGSIU), Delhi. The event, held on January 21, 2025, saw a diverse range of cultural performances, showcasing the immense talent of students from across the zone.

The prelims were inaugurated by Dr. Sajan M. George, Chairman of DBIT, and Dr. Vikas Rao Vadi, Director of DBIT, and they addressed the participants with words of encouragement and inspiration. They emphasized the importance of such events in fostering creativity, cultural exchange, and overall student development.

From the melodious tunes of the music events to the rhythmic beats of the dance performances, the prelims were a kaleidoscope of colors and sounds. Students participated with enthusiasm in various competitions, including literary events, music events, fine arts, classical dance, and drama. The "Battle of the Bands" added an electrifying energy to the atmosphere, with bands from different colleges competing for the coveted title.

The posters for the event, featuring vibrant colors and eye-catching designs, served as a visual treat and effectively communicated the diverse range of events on offer. They highlighted the key events, including the literary events, music events, fine arts, classical dance, and drama competitions, creating anticipation and excitement among the student community.

"Anugoonj'25, Zone-5" prelims was a resounding success, providing a platform for students to showcase their talents and celebrate their cultural heritage. DBIT, with its state-of-the-art facilities and enthusiastic student community, proved to be an ideal venue for this vibrant cultural extravaganza. The event not only showcased the artistic prowess of GGSIU students but also fostered a sense of camaraderie and cultural exchange among the participating colleges.

Anugoonj Prelims: Celebrating Our Students' Achievements

Anugoonj is an annual cultural and academic extravaganza organized by Guru Gobind Singh Indraprastha University (GGSIPU), Delhi, to provide students with a dynamic platform to showcase their talents across a diverse range of competitions. It is organized to provide students with a dynamic platform to showcase their talents across a diverse range of competitions. This prestigious event brings together participants from various colleges, fostering a spirit of creativity, innovation, and healthy competition. The prelims, hosted by Delhi Metropolitan Education, Noida (Zone 5), witnessed an impressive display of talents, with our students excelling across multiple categories. Their relentless dedication, creativity, and exceptional performances earned them well-deserved accolades.

The competition featured a wide array of events, including music, dance, drama, and more, allowing participants to demonstrate their skills in various artistic and intellectual disciplines. Anugoonj serves as a stepping stone for aspiring artists and performers, providing them with exposure, experience, and opportunity to represent their institution at higher levels of competition.

Outstanding Accomplishments:

- **Classical Vocal Solo (Day 1 - Runners-Up):** A mesmerizing rendition that left a lasting impression on the audience and judges.
 - ❖ Nandini (BBA 2022-2025), Sarthak Bhasin (BBA 2024-2028)
- **Folk Dance (Day 1 - Winner):** An energetic and graceful performance that highlighted cultural richness and secured the top spot.
 - ❖ Christeena Biju (BBA 2022-2025), Meenal Verma (BCA 2024-2028), Amala Saju (BCA 2022-2025), Janvee (BCA 2024-2028), Tisha Mahendru (BCA 2022-2025), Tanya Singh (BCA 2022-2025), Khushi Gusain (BBA 2024-2028), Anny Kujur (BCA 2024-2028)
- **Street Play (Day 2 - Runners-Up):** A compelling act that effectively conveyed social messages and engaged the audience.
 - ❖ Saniya Kumari (BCA 2024-2028), Hardik Sharma (BBA 2022-2025), Shakti (BCA 2024-2028), Vaishnavi (BBA 2023-2026), Vivek Goswami (BBA 2023-2026), Vansh Aggarwal (BBA 2024-2028), Unnati Tripathi (BCA 2024-2028), Alen Sabu Thomas (BCA 2024-2028), Jijo (BBA 2024-2028), Joel Jose (BCA 2024-2028), Pratyaksh Gupta (BCA 2024-2028), Himadri Sharma

(B. Com (H.) 2024-2028), Yashita (B. Com (H.) 2024-2028), Molly Sharma (B. Com (H.) 2024-2028), Mohd. Mubashir (B. Com (H.) 2024-2028), Dhruv Kumar Shukla (B. Com (H.) 2024-2028), Abdul Musawwir Ali (BBA 2023-2026)

- **Footloose (Day 2 - Runners-Up):** A high-energy dance act that impressed all with its synchronization and creativity.
 - ❖ Vanshika Singhal (BBA 2022-2025), Flemin Siby (B. Com (H.) 2023-2026), Jesan Dang (BBA 2023-2026), Harsh H Pillai (BCA 2024-2028), Didymus Samuel (BBA 2024-2028), Sreerexha R. Nair (BBA 2024-2028), Kunal Lodhi Rajput (BBA 2023-2026), Farazzi Dilshad (BCA 2023-2026), Kevin Sibichen Daniel (BCA 2024-2028), Latika Sharma (BBA 2024-2028), Kashish Sharma (BBA 2024-2028)
- **Western Vocal Solo (Day 3 - Runners-Up):** A melodious performance that captivated listeners and earned well-deserved appreciation.
 - ❖ Ebin (B. Com (H.) 2022-2025)
- ❖ These achievements reflect the passion and perseverance of our students. We congratulate all participants and winners for their commendable efforts and look forward to more success in future events. Keep striving for excellence!

all participants and winners for their commendable efforts and look forward to more success in future events. Keep striving for excellence!

Republic Day:

Celebrating India's Adoption of the Constitution, and its Transition to a Republic

January 26 is a significant day in the history of India, as it marks the country's transition to a republic. On this day in 1950, the Constitution of India came into effect, replacing the Government

of India Act (1935) and making India a sovereign, democratic, and secular nation. Republic Day is a national holiday in India, celebrated with great fervor and enthusiasm across the country. India gained independence from British rule on August 15, 1947, but it was not until January 26, 1950, that the country became a republic. The journey to republicanism was a long and arduous one, with the Constitution of India being drafted by a Constituent Assembly over two years, eleven months, and eighteen days. The Assembly, headed by Dr. B.R. Ambedkar, consisted of esteemed individuals from various backgrounds, including politicians, lawyers, and social reformers.

The Constitution of India is a comprehensive document that outlines the framework of the country's governance, including the fundamental rights and duties of citizens, the structure of the government, and the relationship between the Centre and the states. It is a testament to the country's commitment to democracy, secularism, and social justice.

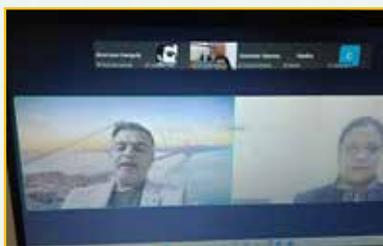

The 76th Republic Day of India was celebrated with great zeal and enthusiasm on 24 January 2025 (as 26 being Sunday) on the premises of Don Bosco Institution of Technology, Okhla. The event commenced with an inspiring message from the college Chairman, Dr. Sajjan M. George, and Director, Dr. Vikas Rao Vadi, who, addressed the audience and enlightened the students with their words of wisdom and patriotism and motivated the students and staff to join hands and work together towards the development of the College and Nation. In consonance with this, the students then took the stage and showcased their talents through patriotic songs, and dance and conveyed the message of national unity where the audience also swayed on the melody. Ms. Tanishka, a first-year BCA student delivered a speech in English to inspire the students to contribute positively to the nation's progress. After that, Mr. Ayushman of BCA 2024 batch, recited a poem that highlighted the importance of Republic Day. Ms. Riya Siwas, a second-year BCA student presented a Hindi speech on Republic Day focusing on the sacrifices made by freedom fighters, the significance of the Indian Constitution, and the values enshrined in it. These performances are not only entertaining but also educational, instilling a sense of pride in the country's rich heritage and evoke a sense of nationalism and pride among Indians.

GURU GYAN : SANCHAY EVAM SANCHAR

“Empowering Professionals in Emerging Technologies for Competency Building.”

In today's rapidly evolving technological landscape, professionals in higher education must stay updated to equip students with the skills to become future leaders, entrepreneurs, and agents of change. Recognizing this, Don Bosco Institute of Technology, Okhla, organized a one-week

Faculty Development Program (FDP) under the flagship banner Guru Gyan: Sanchay Evam Sanchar. The program, held from January 6–10, 2025, brought together 250 faculty members from across India to build competencies in emerging technologies through expert-led sessions.

The FDP featured 10 distinct sessions covering topics from business process re-engineering to strategic decision-making using business intelligence.

Session 1: Emerging Trends and Future Business Process Re-engineering by Prof. (Dr.) Rama Krishna Y, IPE Hyderabad.

This session introduced the fundamentals of Business Process Re-engineering (BPR), highlighting its lifecycle and its role in boosting organizational efficiency. Prof. Rama Krishna explored future trends like Artificial Intelligence (AI) and automation, demonstrating how these technologies are reshaping business processes to meet evolving market demands.

Session 2: Cyber Security Threats and Counter Measures by Dr. Naveen Kumar, IIT Vadodara

Dr. Naveen Kumar emphasized the growing cybersecurity challenges due to the global dependence on internet-based applications. He discussed real-world examples, such as the BSNL data breach and AIIMS ransomware attack, and explored web threats like information leakage and SQL injection. Solutions such as anti-phishing software, DNS filtering, and Zerodium were proposed to mitigate these risks.

Session 3: AI Applications in Marketing and Customer Experience Management, by Dr. Varun Srivastava, IIIT Deemed University Noida

Dr. Srivastava highlighted the transformative role of AI in marketing and customer engagement. By leveraging predictive analytics, personalization, and automation, businesses can enhance customer experiences and design more effective marketing strategies, ultimately driving growth and satisfaction.

Session 4: Cybersecurity and Ethical Hacking for Professionals by Dr. Anup Girdhar, Sedulity Solutions and Technologies

In this session, Dr. Girdhar addressed the shift from a device-centric era to a data-centric era, underscoring the role of AI in cybersecurity. The discussion included risks associated with devices like Alexa and Siri, the importance of tools such as VPNs, and the practical use of the CEIR dashboard for cybercrime reporting. Key distinctions between vulnerability and penetration testing were also elaborated upon.

Session 5: Sustainability Through Emerging Technologies in Management by Prof. (Dr.) Pankaj Kumar Gupta, Jamia Millia Islamia

This session highlighted how disruptive technologies like AI and IoT contribute to sustainability goals. Dr. Gupta emphasized the integration of value chains—both horizontal and vertical—to address pressing global challenges such as climate change and economic inequality, showcasing the potential of technology-driven solutions.

Session 6: Trust Management in IoT by Dr. Karan Singh, JNU New Delhi

Dr. Singh discussed trust management in IoT systems, focusing

on trust models and evaluation methods. He provided actionable recommendations for improving trust in IoT ecosystems, such as implementing encryption, layered security, device updates, and user education, which are critical for fostering reliable IoT environments.

Session 7: AI for Social Welfare by Prof. (Dr.) P.S. Grover, Former Professor at DU

Prof. Grover demonstrated the societal benefits of AI in addressing challenges in healthcare, education, and environmental sustainability. He emphasized AI's potential in advancing the UN's Sustainable Development Goals (SDGs) by promoting social good and improving quality of life.

Session 8: Digital Transformation Strategies for Modern Organizations by Dr. Abhijeet Sarkar, Stelmec Ltd. Mumbai

Dr. Sarkar provided a comprehensive overview of digital transformation, detailing the shift from manual to digital workflows and the role of technologies like Cloud Computing, IoT, and AI. He highlighted the impact of COVID-19 on accelerating digital transformation and shared examples of successful industry implementations.

Session 9: Technologies' Impact on Academic Governance by Prof. (Dr.) Subodh Kesarwani, IGNOU

Dr. Kesarwani explored the transformative role of technologies like AI, Blockchain, and Big Data in academic governance, teaching, and learning. He stressed the importance of digital transformation in improving education quality and transparency while addressing challenges such as the digital divide and institutional resistance to change.

Session 10: Business Intelligence in Strategic Decision-making by Prof. (Dr.) Sanjay Dhingra, GGSIP University Delhi

This session introduced Business Intelligence (BI) tools that professionals can use to streamline data integration and analysis for effective decision-making. Prof. Dhingra illustrated how BI platforms empower businesses to make informed strategic decisions and enhance operational efficiency.

Conclusion

The Faculty Development Program successfully equipped participants with the knowledge and skills needed to navigate and leverage emerging technologies in their professional and academic pursuits. By addressing a diverse range of topics, the program highlighted the potential of technology to drive innovation, sustainability, and social impact, while also fostering a collaborative and forward-thinking community among educators.
