*(Affiliated to Guru Gobind Singh Indraprastha University, Delhi & Approved by AICTE),
Okhla Road, New Delhi – 110025, (Adjacent to Sukhdev Vihar Metro Station)*

ANNUAL REPORT (Academic Session 2025–2026)

1. Introduction

Don Bosco Institute of Technology (DBIT), Delhi, established in 2022, is an A+ Ranked Institution by the SFRC, Government of NCT of Delhi. Affiliated to Guru Gobind Singh Indraprastha University Delhi and approved by AICTE Delhi, the institute is committed to providing value-based, skill-oriented, and career-focused higher education rooted in the philosophy of **St. John Bosco – “Passion for Youth”**.

During the **Academic Session 2025–2026**, DBIT demonstrated consistent progress in academic excellence, student performance, research and innovation, co-curricular engagement, and infrastructure enhancement. The institute warmly welcomed the Honourable Chairman and respected members of the **Joint Assessment Committee**, presenting its academic achievements, student outcomes, faculty profile, and institutional best practices.

2. Vision, Mission, Motto, and Core Values

Vision

Inspired by the compassionate love of the Almighty, DBIT envisions the transformation of individuals and society through relevant technical and professional education.

Mission

To follow the Don Bosco educational system in bringing to the youth—especially the poor and marginalized—skill-based, career-oriented, and high-quality education that enables them to earn a dignified living and become responsible members of society.

Motto

“Learn a Trade, Earn a Living”

Core Values

- Trust in God and self
- Hard work and perseverance
- Compassion and commitment to youth
- Creativity and innovation
- Passion for excellence and discipline

3. Academic Programs and Student Diversity

DBIT offers the following programs:

Undergraduate Programs

- Bachelor of Business Administration (BBA)
- Bachelor of Computer Applications (BCA)

- Bachelor of Commerce (Honours)

Postgraduate Programs

- Master of Business Administration (MBA)
- Master of Computer Applications (MCA)

The institute maintains a **teacher–student ratio of 1:20** and a **cadre ratio of 1:2:6**, ensuring personalized mentoring and effective academic delivery. Students come from diverse socio-economic and educational backgrounds, enriching the learning environment.

4. Faculty Profile

DBIT is supported by a committed team of qualified faculty members across all programs. Faculty members hold postgraduate and doctoral qualifications and actively contribute to teaching, research, academic administration, and student mentoring.

Faculty development is strengthened through regular participation in **Faculty Development Programmes (FDPs)**, workshops, seminars, and conferences at national and international levels, ensuring continuous academic and professional growth.

5. Teaching–Learning Process

The institute follows a **student-centric, outcome-based teaching methodology**, integrating traditional and innovative pedagogical approaches such as:

- Classroom lectures
- PowerPoint presentations
- Educational videos
- Group discussions and competitions
- Role plays and experiential learning
- Value-added and skill-enhancement courses

These approaches promote conceptual clarity, analytical thinking, communication skills, and industry readiness among students.

6. Student Results, University Ranks, and Academic Achievements

Student performance during the Academic Session 2025–2026 has been **outstanding**, with DBIT students consistently securing **top university ranks** across programs.
