ADVISORY

Safety and Security Advisory for Students

In reference to our earlier advisory dated **28 August 2025**, this reminder is being issued in the interest of the **safety and security of all students, faculty, and staff members** of the college.

It has been observed that some students are:

- **Driving rashly or at high speeds** within the college premises,
- **Riding two-wheelers without helmets,**
- **And creating excessive noise or honking unnecessarily** while driving.

Such behaviour is strictly against college safety norms and puts everyone at risk.

All students are hereby **strictly advised** to adhere to the following rules while driving on campus:

- 1) **Drive at a slow speed** (20 km/hr) within the campus limits.
- 2) **Always wear a helmet** while riding two-wheelers (driver and pillion).
- 3) **Avoid rash driving** and stunts of any kind.
- 4) **Do not honk unnecessarily** or cause noise disturbances.
- 5) **Don't let others borrow** your two-wheeler/car.
- 6) **No triple-seat driving** for two-wheeler.

Four-wheeler drivers and other passengers should wear seat belts and mobile phones should not be used by drivers while driving vehicles

Failure to comply with these guidelines will attract **strict disciplinary action**, which may include revocation of permission to bring vehicles onto the campus.

All these norms are made for every individual's safety. All students are hereby once again requested to follow the safety measures as advised.

Parents are also requested to effectively guide their wards on traffic rules and ask them to drive safely.
